

LUNCH AND SNACKS

Our facility **does not** have cooking equipment. Here are some considerations for lunch for your child.

Mondays: Paid bagel lunch option (see lunch option sheet) or lunch sent from home.

Tuesdays: Paid lunch option from deli (see lunch option sheet) or lunch from home.

Wednesdays: Paid lunch option from deli (see lunch option sheet) or lunch from home.

Thursdays: Paid lunch option from deli (see lunch option sheet) or lunch from home.

FRIDAYS: CAMP PROVIDES COMPLIMENTARY LUNCH FOR ALL BROUGHT IN FROM LOCAL RESTAURANTS (SEE MENU BELOW) or lunch from home.

SOME NOTES ABOUT LUNCHES FROM HOME:

1. Golda Och Academy, where camp is held, is a kosher facility. That means you cannot send lunches that contain meat (beef, pork, veal, poultry) or shellfish. Anything else is allowed. (Tuna and non-shellfish are fine.) If you need help figuring out what to send, please call us...we're experts at this by now!
2. Lunches from home will be refrigerated right after arrival.
3. We cannot microwave lunches. Thermoses will keep lunch items warm. Let us know and we won't refrigerate those.
4. It is best to send lunches in disposable bags. If you send lunch in insulated bags, or other non-disposable containers, we will do our very best to make sure they come home every day.
5. You **MAY** send a lunch that contains nut products however we ask you to place one of our provided "Lunch Contains Nuts" stickers on it so that we may protect the health of children with allergies. Let us know if you need these stickers. Alternatively you can write it on the lunch bag with a marker. (Children with nut allergies will sit a safe distance from children consuming nut products. Hands, faces and tables will be cleansed.) **We** do not serve any food items with nut products, nor do the items provided by local restaurants.
6. If you or your child forgets the lunch from home, please don't worry. We've got it covered and will probably realize it before you even have a chance to call! We will always have a nutritional lunch available (and we'll be careful about restrictions/allergies too!)

Beverages at Lunchtime

We provide juices or cold water every day. We can provide milk although it is not typically put on the table. Please let us know if your child drinks milk at lunchtime. (Note: Fresh, cold water is available all over camp throughout the day.)
